

Term 3 Attendance Challenge:

Come to school every Monday!

Kia Ora Whānau!

We have been looking at our attendance data and we have found that Monday is a day that lots of our students do not come to school!

To help improve our Monday attendance we are having a special focus here at school each Monday from 8.30-8.50am. See the table beside so you and your child know what is happening every Monday morning in term 3.

We are going to issue Monday attendance tickets next term. If your child is here at school from 8.30-8.50am on a Monday they will get a click on their ticket. For all children who have 10 clicks on their attendance ticket at the end of the term there will be a special celebration in week 10!

We would really appreciate your support with helping us address our Monday attendance concern and take up our term 3 attendance challenge!

Many thanks

Whaea Danielle Katavich

Deputy Principal
