Moana Iese  
Acting Principal

No. 6 Friday 4 May 2018

Dear Parents, extended family, caregivers and community members,  
**Greetings, Kia ora, Talofa lava, Kia orana, Malo e lelei, Goeie Mōre, Fakaalofa lahi atu**

Welcome to Term 2! A special welcome to our 10 new whanau who have joined us here at Weymouth Primary, we hope you enjoy being a part of the Weymouth School community. On Monday we welcomed our new whanau during our school powhiri, thank you to our Te Manu Tukutuku whanau who lead us through the powhiri process.

We hope you all have had an enjoyable two weeks break, and are ready for another term of fun and exciting learning! This term our school focus is on Science—the Living World. As part of our learning each class will be spending half a day in our school garden working alongside Pragna Patel, who is from the Botanical Gardens. Pragna will be guiding our students through a Composting and Invertebrates unit. We can't wait to explore our understanding of these exciting topics!

Our school is a Travelwise school and we have a hard working team of Travelwise students who are led by Mrs Johnson. One of the initiatives our Travelwise team are promoting this term are to get our students active by getting out of cars and WOWing to school (Walking or Wheeling). This initiative fits in perfectly with our school theme of Kaitiakitanga as it helps to reduce our carbon footprint and protect our environment. WOWing also makes our school drop off and pick up zones safer! We will be holding planning sessions with Auckland Transport in our school hall on Wednesday 9th May and Thursday 10th May, you are most welcome to join us for these sessions.

We are looking forward to meeting our whanau of our Y4-Y8 students on Tuesday 8th May—please contact the class teacher for an appointment time if you have not already been given one.  
Nga mihi nui,

**Danielle Katavich**  
DEPUTY PRINCIPAL
