## NEWSLETTER

No. 8 Friday 7 June 2019

Saane Faafo Oldehaver  
Principal

***Kia ora koutou, talofa lava and warm greetings to our Weymouth Community, parents, grandparents, aunts and uncles, cousins and our beautiful tamariki.***

### **ASBESTOS REMOVAL REMINDER**

We are currently renovating in rooms 17 to 20. The asbestos removal will be happening this weekend, the 8<sup>th</sup> and 9<sup>th</sup> of June. We ask that parents and students stay away from the area. Our Construction Company have contained the area and it will be completed according to health and safety regulations.

### **MATHS WORKSHOP FOR YEAR 2 & 3 WHANAU (Rms 6, 7, 8, 9, 10, 11, 12, 13, 14)**

As you are already aware, our Year 2 & 3 classes are working hard to build their knowledge of Basic Facts and Place Value. We know that our whanau are supporting their children, and our teachers would like to give you some fun ideas of how you can support them even more.

WHEN: Thursday 20 June

TIME: 3.10pm - 4.10pm

WHERE: All workshops will be held in Rms 10-13

A reminder notice will also come home next week for these classes.

### **Project WY**

We have been fortunate to offer some of our potential leaders at Weymouth an opportunity to work on some initiatives with other schools in Manurewa. They have been exposed to running a half marathon in Rotorua and also a day at Papatoetoe where they did STEM activities.

Some of the students applied to have a mentor for the next 6 months. Last night they attended the launch and met their mentors. They will be developing their leadership skills and learning about technology.

Congratulations Betty Fricker, Xavier Walker, Khalyce Johnson and Austen Rogers-Piggott (absent). We hope you enjoy the next few months.

### **MATHEX TEAM CHAMPIONS!**

On Wednesday 5 June, our Year 5 & 6 Mathex team competed at the Manurewa Schools Cluster competition. The team consisted of Vaydem Whitford, Manaakitanga Byers, Xylon Leef and Lachlan Pukeroa. Together they had to solve as many maths problems as they could in 30 minutes. Our team used their combined knowledge and strategies to complete 16 problems. We would like to congratulate the Mathex Team on their win, and for being the first recipients of the Year 5&6 Mathex Trophy for 2019.

## WEYMOUTH PRIMARY SCHOOL WHĀNAU HUB

Come down to the **Whānau Hub** (situated *BEHIND* Room 10 and 11) every Monday, Wednesday and Friday to connect and get supported right here in your community of Weymouth Primary School.

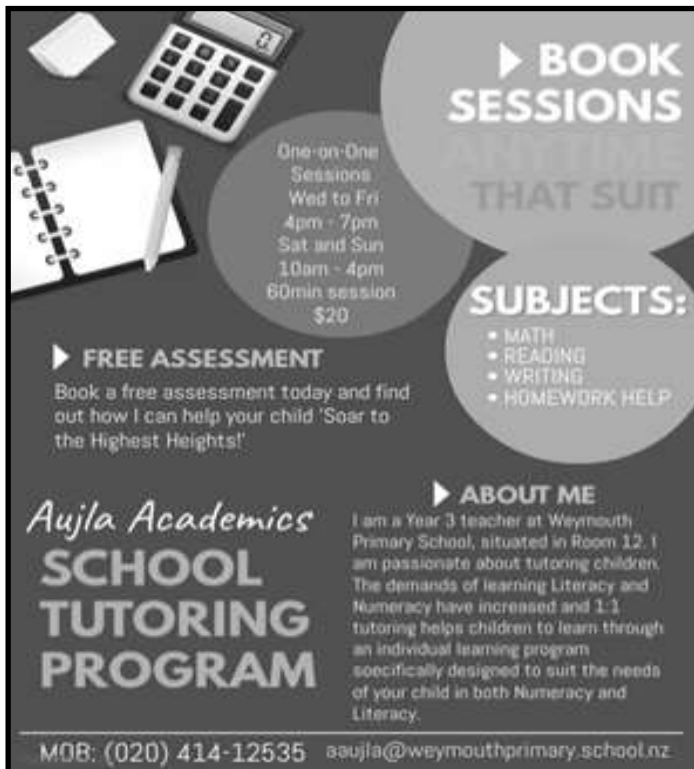

**MONDAYS** - Refuel the body and mind with Work Out Monday. Join us for a walk or boot camp and some healthy kai. 9.30am-12pm.

**WEDNESDAYS** - Parent coffee group. Drop in for a chat, some support and helpful workshops from 10am-12.30pm.

**FRIDAYS** - Hope Navigation. If you need support to get the help you need for housing advocacy, addiction, budgeting or any issues that are causing you stress in your whānau life, our Hope Navigators can connect you with the right support. Free cuppa and a korero. 9.30am-12pm.

See our closed Facebook page to keep updated on what we have going on. You will need to request to join as it is a closed and moderated group.

for further enquiries.

**▶ BOOK SESSIONS**

One-on-One Sessions  
Wed to Fri  
4pm - 7pm  
Sat and Sun  
10am - 4pm  
60min session  
\$20

**▶ FREE ASSESSMENT**  
Book a free assessment today and find out how I can help your child 'Soar to the Highest Heights!'

**▶ ABOUT ME**  
I am a Year 3 teacher at Weymouth Primary School, situated in Room 12. I am passionate about tutoring children. The demands of learning Literacy and Numeracy have increased and 1:1 tutoring helps children to learn through an individual learning program specifically designed to suit the needs of your child in both Numeracy and Literacy.
